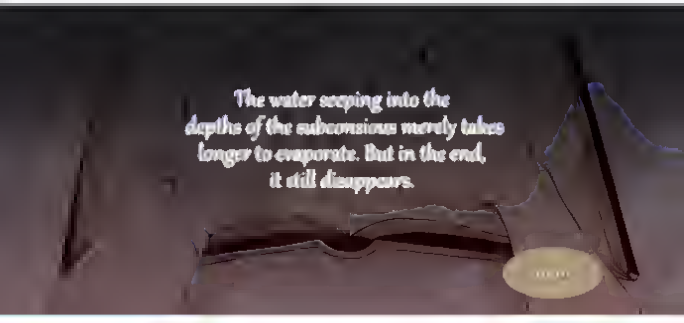
Time is like raindrops.

Those seemingly eternal moments of pain, as well as those happy moments of laughter.

Half of them dry up after a time,

and the other half collect on the earth



The water seeping into the depths of the subconscious merely takes longer to evaporate. But in the end, it still disappears.

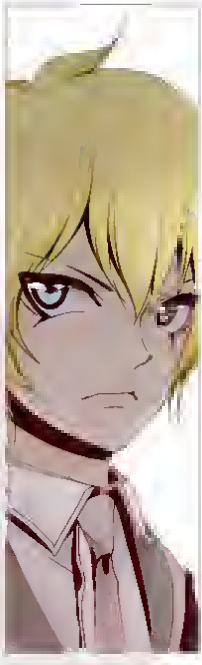
Good night.
Thud

And like that,

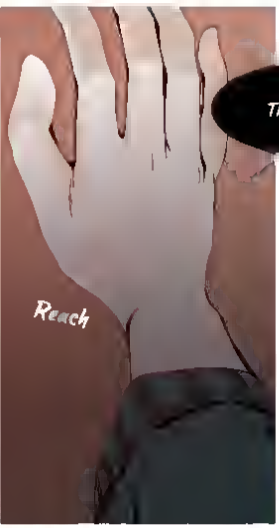
...the hundreth night finally ended.

SFX. Flutter

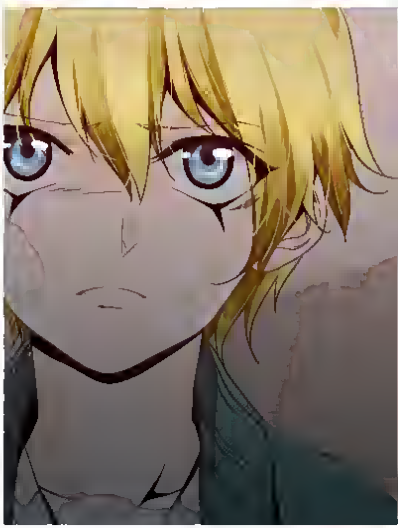
Trump



Phew..



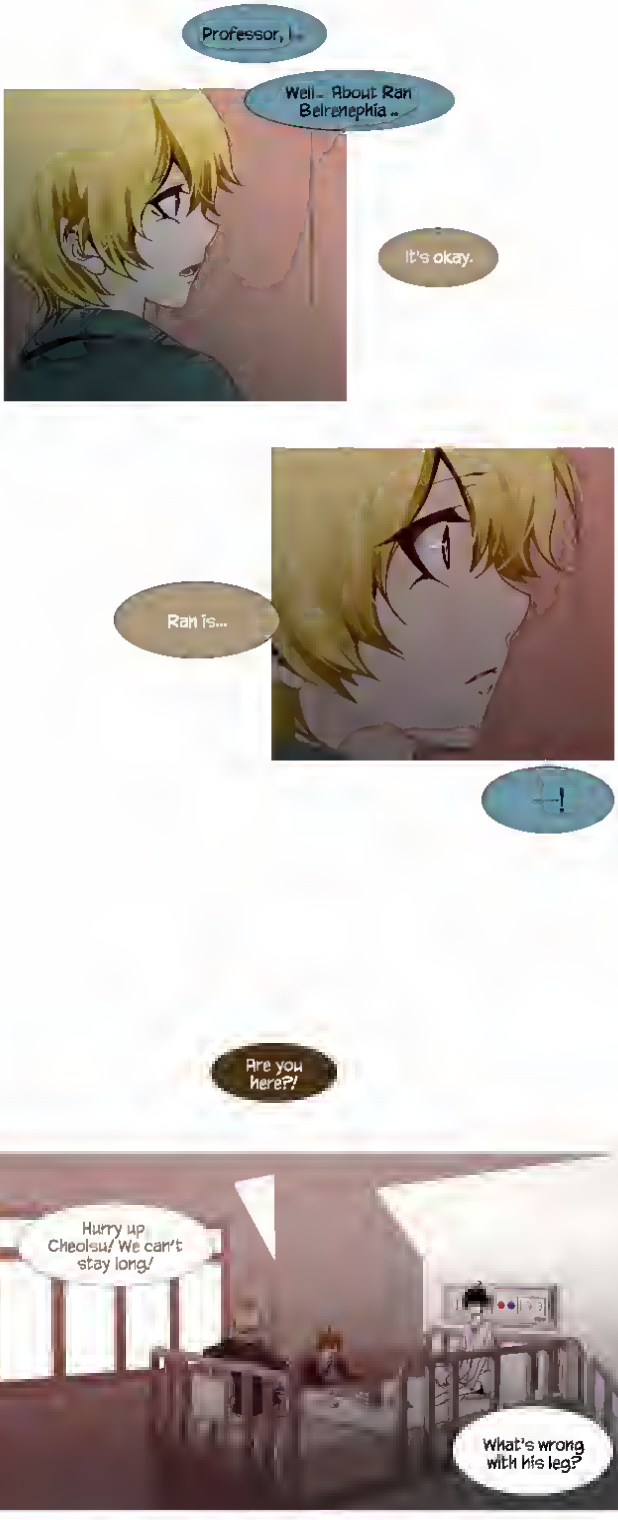
Is it...



...okay for for me to go in now?
Before witnessing it all with my own eyes,
...I thought he was just a psychopath, the worst kind of criminal.

But he was much different.
KEUK!!
Aren't you going in?
SFX: Stab

Oh. Professor
Min and Cheolsu are here too.



Professor, I-
Well... About Ran Belrenephia...
It's okay.
Ran is...
-!
Are you here?!
Hurry up Cheolsu! We can't stay long!
What's wrong with his leg?

He got stabbed by Black Raincoat, didn't he?
You even saw it with your own eyes. How can you forget?
—...

Oh.
That's right.

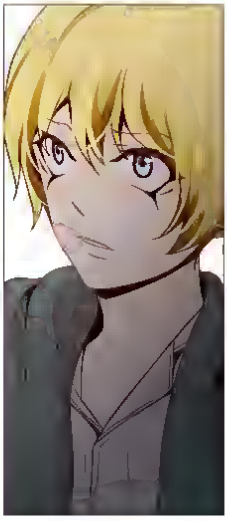
Shouldn't you be going now?
Hyo needs to take his medicine and go to sleep.
Ew! That's the bitter kind!
Are you coming to class today?
I can't.
Good luck.

Make sure to take your exams! Don't get another zero!
Worry about yourself first!
His memories...

...are gone?

W-Why? They were both so desperate to-
I'm sure he thought it would be best for everyone.

Even if you don't consider Ran's situation and his safety, Hya isn't sure that he'll ever completely understand Ran
They've gone through enough. Wouldn't you agree?

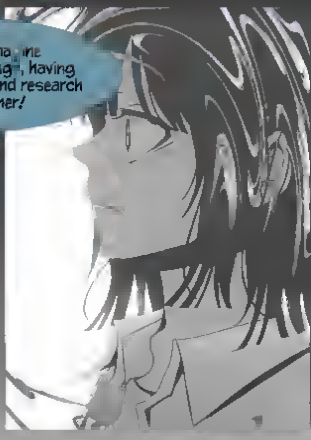


.....

T-Then what about me? I'm the one at fault here!
I kept yelling and badgering him.

I told him that he wouldn't get any points if he didn't participate!

I can't even imagine what he went through, having to put up with me and research his own father!

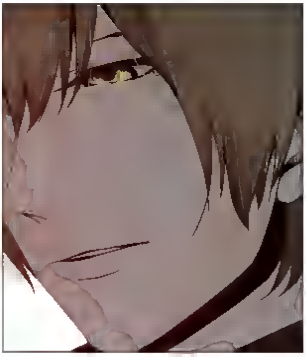


Going through life without his memories. I'm sure he didn't really want that.

Obviously, in this situation, his judgment was clouded and he made a huge mistake!

You're absolutely right.

The situation was pretty bad.

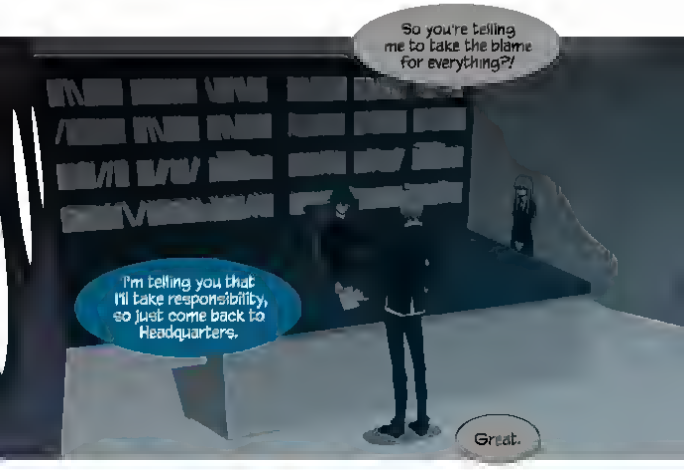


Where did things go wrong?

The Black Raincoat case is closed now, but the citizens of Wenerltana are in uproar.

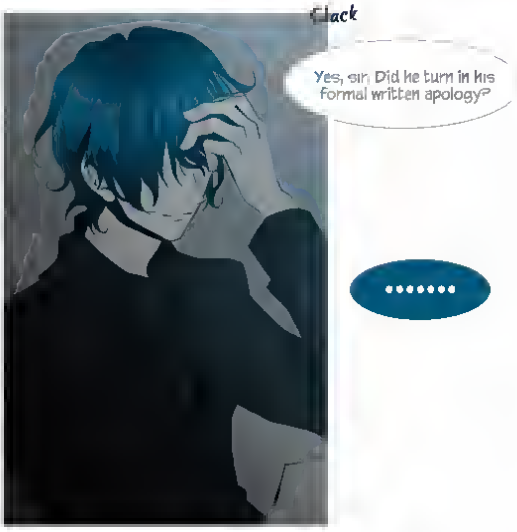
Especially the parents. They won't just let this slide. Help me out.

One way or another, this is something for the Yeoha-dan to resolve.



So you're telling me to take the blame for everything?!
I'm telling you that I'll take responsibility, so just come back to Headquarters.
Great.

Well, you're our leader if you're offering, there's no way I'd refuse.
I'll be back once I wrap things up.
Next time you come, please follow normal procedures.
Let him do what he wants.



Clack
Yes, sir. Did he turn in his formal written apology?
.....

"Today, on XX/XX/XXXX,
I have caused physical, mental, and emotional harm to the citizens of Wenentana, as well as to three of my students,

due to my inadequate investigation and preparation prior to the field trip held by the Wiquebelry National Academy"

"Anyways, the guy who should have written that apology says he really feels bad about it, so he doesn't feel like writing himse--"

I didn't read it, but it'll be okay, right?
.....
Then I'll count on you from now on, Partner
F****er.
Now now, let's play nice.
Just keep your damn promise.

!

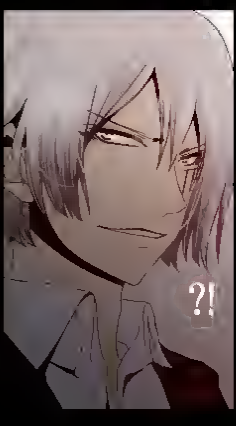
Heke.

I wonder when Ajussi is coming.

-Episode 3-

-Epilogue-

Anyway, you broke up with Blue earlier, right?



Isn't it about time we started a new game?

Let's stop playing around behind the students backs...

...and work out a deal.
What kind of deal?
As long as Hya is obsessed with Ran, these accidents will keep happening.
So I would like to erase all of Hya's memories of Ran.
But in order to do that, two conditions must be met.

Someone to keep Hya Gi Ha Ness, and the right enviroment.

Let's have him research Ran during your Yeolha-dan class, and appoint Bize Tacarette as the team leader.

The two have been on bad terms because of their grades...

...and Ran? nothing to do with that.

Hya on his toes, and he'll get more stressed over time.

The tension will keep growing between Hya and Bize. I will then step in and confuse Hya with my solutions.

No!!

This will convince Hya that the best solution is to wipe away all his memories of Ran.

Will that really be okay?

If your plan succeeds, then you'll be...

...the worst kind of bastard.

[The End]
